New insurance plan for women

TOKIO Marine Life Insurance Malaysia Bhd introduces TokioMarine-iLady, a life insurance plan exclusively for Malaysian women that provides coverage for female illnesses as well as pregnancy benefits.

With TokioMarine-iLady, a policyholder can enjoy coverage of up to 160% of the basic sum assured and medical benefits for female illnesses, which include reconstructive treatment or skin grafting due to an accident or cancer.

The policy also covers pregnancy complications amounting to 5% of the basic sum assured or up to RM10,000.

An optional childcare benefit, iBaby rider, can be added to allow extended protection on the policy-

holder's child for six years upon hospitalisation, for incubation and congenital illness, among other things.

Tokio Marine is giving out a welcome gift worth up to RM3,500 for the newborn to own an education policy.

"We understand that women have always been dedicated to other priorities and seem to put aside their own dreams.

"Now we have made planning ahead for their personal well-being and the future possible.

"Our plan can be customised and tailor-made to meet their needs at various stages in life.

"They are meant to be hassle-free, forward-planning and suitable for all ladies," said Tokio Marine Life chief executive officer Toi See Jong.

Every one in 19 Malaysian women

is at risk of breast cancer.

A total of 1,682 new cervical cancer cases are diagnosed annually in Malaysia.

With unforeseen changes in women's lives, the need for critical illness protection is necessary.

TokioMarine-iLady is available for women aged between one and 65 and provides coverage until 85 with pregnancy benefit coverage till 46.

"TokioMarine-iLady is one of the first insurance plans for ladies that provides medical screening benefits.

"We aim to provide protection to our customers by promoting a healthy lifestyle and advocating disease prevention and early detection," added Toi.
