## Tokio Marine Life Rewards Top New Talents

Tokio Marine Life recently rewarded 65 outstanding new financial advisors who played significant roles in contributing to its success, with a pampering trip to Bali, Indonesia.

“We are very proud of our new financial advisors’ achievements. This elite group of new financial advisors contributed close to 23% of the company’s new business. Their hard work and commitment to success have secured them a place in this tour,” said Head of National Sales, Liew Kim Wah.
