Dear Valued Customers and Business Partners,

Important Announcement on e-Invoicing

Following the Inland Revenue Board of Malaysia's ("IRBM") announcement in October 2023 on the implementation of e-Invoicing in Malaysia, Tokio Marine Insurans (Malaysia) Berhad ("TMIM", "it", "we" or "us") wishes to advise that it will be implementing e-Invoicing from **1 August 2024**.

Kindly be informed that the Persatuan Insurans Am Malaysia ("PIAM") members, including TMIM, have been granted an approval by IRBM to issue **consolidated e-Invoice** for all its income and **are not required to issue validated e-Invoice to customers for individual transactions** in relation to its products and services during the period of 1 August 2024 to 30 June 2025. Henceforth, there is no requirement for customers and business partners to obtain validated e-Invoices from TMIM for income tax deduction / relief purposes at this juncture.

Additionally, during this period as well, TMIM will be issuing self-billed e-Invoices for certain categories of products and services acquired by us as stated in the relevant IRBM guidelines.

TMIM will start issuing individual validated e-Invoices for all its products and services from **1 July 2025 onwards**.

Meanwhile, to facilitate the smooth transition to e-Invoicing and to ensure compliance to IRBM's requirements, we highly appreciate your kind cooperation to expediently update your profile with us, including to **provide your Tax Identification Number (TIN), latest Business Registration Number (BRN) and Sales & Service Tax (SST) Number (if applicable)** as and when such requests are made by us.
