About the Plan

TM Mortgage Protection is a regular premium mortgage reducing term assurance plan. This plan is specially designed to ensure that your mortgage loan is taken care of in the event of death, Total and Permanent Disability¹ (TPD) and/or when a covered Critical Illness² (CI) strikes.

Benefits of the Plan

Comprehensive cover option

You have the option to choose between a basic plan that provides death and TPD benefits or a comprehensive plan that also provides CI benefits. Whichever way, you can be assured that your home is secured.

Joint life cover³

TM Mortgage Protection can adapt to your mortgage loan arrangements. For added ease, you have the option of purchasing a joint life plan to enjoy our umbrella of protection if your home is under joint-ownership.

The remaining sum assured⁴ will be paid at the first occurrence of the insured events on the life of any one of the joint policy owners.

Lump sum benefit

The remaining sum assured is payable in one lump sum on death, TPD and/or CI, so that the outstanding mortgage loan can be paid off as soon as possible.

Limited premium payment term

TM Mortgage Protection offers policy term options from 10 to 30 years. There is no need to pay premiums for the entire duration of the policy term. Premium payment term is 3 years shorter than the policy term. For example, if your loan duration is 20 years, you only pay premiums for 17 years.

This plan is underwritten by Tokio Marine Life Insurance Singapore Ltd. and is only available through our authorised distributors. Kindly obtain the required product disclosures and seek advice from a financial adviser before making a commitment to purchase this plan. As buying a life insurance policy is a long-term commitment, an early termination of the policy usually involves high costs and the surrender value, if any, that is payable to you may be zero or less than the total premiums paid. It is also detrimental to replace an existing life insurance policy with a new one as the new policy may cost more or have fewer benefits at the same cost. For policies distributed in Singapore:

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for your policy is automatic and no further action is required from you. For more information on the types of benefits that are covered under the scheme as well as the limits of the coverage, where applicable, please contact us or visit the LIA or SDIC websites (www.lia.org.sg or www.sdic.org.sg).
