Note:

This electronic direct mailer (EDM) is not intended as an offer or recommendation to the purchase of any insurance plan. The insurance plans are underwritten by Tokio Marine Life Insurance Singapore Ltd. and are only available through our authorised distributors. Kindly obtain the required product disclosures and seek advice from a financial adviser before making a commitment to purchase the qualifying product(s). As buying a life insurance policy is a long-term commitment, an early termination of the policy usually involves high costs and the surrender value, if any, that is payable to you may be zero or less than the total premiums paid. It is also detrimental to replace an existing life insurance policy with a new one as the new policy may cost more or have fewer benefits at the same cost.

The insurance plans are protected up to specified limits by SDIC.
