Important Notes

This marketing material is not intended as an offer or recommendation to the purchase of any insurance plan. This plan is underwritten by Tokio Marine Life Insurance Singapore Ltd. and is only available through our authorised distributors. Kindly obtain the required product disclosures and seek advice from a financial adviser before making a commitment to purchase this plan. As buying a life insurance policy is a long-term commitment, an early termination of the policy usually involves high costs and the surrender value, if any, that is payable to you may be zero or less than the total premiums paid. It is also detrimental to replace an existing life insurance policy with a new one as the new policy may cost more or have fewer benefits at the same cost.

For policies distributed in Singapore: This policy is protected under the Policy Owners' Protection Scheme, which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for your policy is automatic and no further action is required from you. For more information on the types of benefits that are covered under the scheme as well as the limits of the coverage, where applicable, please contact us or visit the LIA or SDIC websites (www.lia.org.sg or www.sdic.org.sg).
